****SUMMER CAMP 2013****

We offer fun, exciting, hands-on
Summer Camps for PK to 9th Grade.

For more information visit:

www.EngineeringForKids.net/Westchester

Mondays from 4/1 - 5/20

8 Sessions - \$160*

*@Veterans Memorial Building
and Leo Mintzer Center*

3:30 - 4:30 PM

PK to 2nd Grade

Junior Aerospace Engineering:

Class Minimum: 8

Class Limit: 16

This program introduces students to the job of an engineer and engineering concepts as it relates to the science of aircraft and spacecraft. Through exploration, students will design and construct their own rockets, parachutes, and hot air balloons.

3:30 - 4:30 PM

3rd to 9th Grade

Aerospace Engineering:

Class Minimum: 8

Class Limit: 24

Students will use the Engineering Design Process to design, create, test, and refine a variety of flying machines. They construct a shock absorbing system designed to protect two marshmallow astronauts in a lunar vehicle, create their own air-powered rockets, and assemble a hot air balloon model that actually takes flight!

2013 After School Registration Form (Make Checks Payable to Engineering For Kids)

Name _____ Date of Birth _____ Grade _____

Address _____ City, State _____ Zip _____

Phone _____ Email _____ ID No. *

Parent Name _____ Parent Signature _____

* Additional Fees for Non-Residents OFFICE USE ONLY: RECEIVED BY _____ CHECK NO. _____ AMOUNT _____
